ABOUT EXPO 2025

India Light Expo 2025 will take place from 20th to 22nd March 2025 at the Autocluster Exhibition Center Pimpri-Chinchwad in Pune. The exhibition is focused on the entire lighting industry and will act as a medium to meet the untapped potential of this industry in Pune.

The event's focus on bringing together suppliers, manufacturers, distributors, investors, and buyers creates a unique opportunity for networking and collaboration. It enables participants to explore potential business partnerships, source cutting-edge products, and foster connections that can drive the industry in Pune and Maharashtra forward all together.

Moreover, the expo's role as a knowledge-sharing hub cannot be overstated. As industry players gather to exhibit their offerings, attendees also have the chance to engage in discussions about emerging trends, best practices, and the latest technological advancements. This exchange of ideas can lead to fruitful collaborations and networking to further stimulate growth, advancement and innovation in the lighting sector.
